

Benefits of CHRS AHP Membership

- Joining a community of like-minded individuals in a strong and vibrant Society.
- Enhancing your leadership skills through Committee and Board participation.
- Access to CHRS e-newsletters - ensuring timely access to information and current events related to arrhythmia care.
- Reduced registration fees for the Canadian Cardiovascular Congress (CCC).
- Opportunity to submit an abstract and present at the dedicated CHRS AHP Session at CCC.
- Complimentary registration fees to the CHRS Annual Meeting.
- Eligibility for travel grants to conferences to present your research.
- Access to the CHRS quarterly webinar series.

Are you a nurse? You can now **save 20% on CHRS membership fees** by registering for a joint membership with the Canadian Council of Cardiovascular Nurses (CCCN) through the [CCCN website](#).
