

Fellow of the CHRS (FCHRS)

Election as a Fellow of the Canadian Heart Rhythm Society (CHRS) recognizes clinical, scientific, academic, and professional accomplishments and volunteer leadership and service. The right to include the initials FCHRS among your credentials lets your colleagues and patients know that you have met the high standards required for Fellowship designation in the national organization of heart rhythm professionals in Canada.

The Fellowship is open to scientists, clinician researchers, and clinical educators with a major and productive interest in electrophysiology.
